CHARACTERISTICS

- 7-layers non-stick coating reinforced with mineral particles: more resistant to scratches and wear
- Impact-pro induction technology: antiwrap stainless steel base for perfect heat distribution and protection against thermal shock. Optimised time to heat-up for energy-save.
- Extremely easy to clean and unmatched dishwasher safety
- Ergonomic soft touch handle
- 5-years guarantee
- All TVS non-stick coatings are free from Nickel, heavy metals and PFOA
