# Raku

NEW COLOUR FOR SUMMER 2018

## Reactive texture through print

 Made in England, Raku inspired prints are achieved with Churchill's innovative print process. The print is positioned directly under the glaze, creating a protective layer over the decoration. Each piece is unique as the reactive print acquires its beautiful colour through random, spontaneous effects. Emulating an artisan glaze finish, Studio Prints Raku has all the durability and technical reassurance required for the hospitality environment.

 Fabricado en Inglaterra, Raku ofrece una textura reactiva que se logra mediante la impresión. La decoración se posiciona debajo del esmalte, creando una capa protectora sobre el diseño. Cada pieza es única debido a la decoración reactiva aportando belleza de una forma espontánea. Studio Prints Raku posee los beneficios de durabilidad y los atributos técnicos necesarios para el uso en un ambiente hostelero.

 Raku ist "Made in England" und entsteht durch ein innovatives Druckverfahren von Churchill. Jedes Stück ist ein Unikat, da der unebene Druck unterhalb der Glasur seine Inspiration durch zufällige, spontane Effekte erhält. Das Muster befindet sich unterhalb der Glasur und wird dadurch optimal geschützt. Studio Prints Raku bietet damit die für die heutige Gastronomie erforderliche Haltbarkeit, Lebensdauer und Beständigkeit.

 Prodotto in Inghilterra, la stampa di Raku si ottiene attraverso l'innovativo processo di stampa della Churchill. La stampa viene posizionata direttamente sotto smalto creando uno strato protettivo sopra il decoro. Ogni pezzo è unico dal momento che la stampa reattiva rende il colore originale in modo spontaneo e casuale. Imitando la finitura smaltata artigianale, Studio Prints Raku possiede tutta la resistenza e le garanzie richieste per l'hospitality.

 Fabriqué au Royaume-Uni cette nouvelle gamme est un exemple du procédé innovant d'impressions de Churchill. Le décor est appliqué directement sous email, ce qui crée une protection pour la décoration. Toutes les pièces sont uniques car les couleurs réactives provoquent un effet craquelé différent. Même si elle ressemble à une assiette artisanale, le modèle Raku, modèle artisanal, présente tous les caractéristiques de durabilité et résistance.

# Stonecast®

## NEW ADDITIONS FOR SUMMER 2018

 Stonecast is an exciting collection of rustic and hand decorated products from Churchill, inspired by the changing seasons and fresh ingredients. This rustic collection is revived from a design in the Churchill archives, dating back to the days of the James Broadhurst factory. Stonecast is now available in nine stunning colours, hand painted and then hand finished with a fine speckle and rustic edge in a rich golden brown. The nature of the manufacturing process means that every piece will be slightly different, adding to the overall charm of the product.

 Stonecast es una colección rústica y decorada a mano de Churchill que toma inspiración en los cambios de las estaciones e ingredientes frescos. Esta gama rústica proviene de los archivos antiguos de Churchill que datan de los días de la Fábrica James Broadhurst. Stonecast ahora está disponible en nueve colores, decorados a mano y acabadas con finas motas y un borde rústico en color marrón. La naturaleza del proceso de fabricación implica que cada pieza es individual en su apariencia, añadiendo al carácter de la colección.

 Stonecast ist eine aufregende, modern-rustikale Geschirrserie von Churchill, die von Hand dekoriert wird und sich durch das Farbenspiel der Jahreszeiten leiten lässt. Ein Streifzug durch die Churchill Archive inspirierte unsere Designer, den Formen und Farben aus vergangenen Zeiten der James Broadhurst Fabrik neues Leben einzuhauen. Die jetzt neun attraktiven Farben werden ebenso von Hand aufgetragen, wie der goldbraune Rand und das Sprengelmuster. Durch diesen Fertigungsprozess gibt es feine Farbabweichungen, die jedes Teil zu einem Unikat machen und den Charme dieser Serie ausmachen.

 Stonecast è una collezione esaltante della Churchill di prodotti rustici, decorati a mano, ispirata dal cambio delle stagioni e dalla freschezza degli ingredienti. Questa collezione rustica è il frutto di una rivisitazione di articoli presenti negli archivi Churchill , che risalgono ai tempi della fabbrica di James Broadhurst. Stonecast è ora disponibile in nove splendidi colori, dipinti e finiti a mano con puntini e un bordo rustico in un ricco marrone dorato. E' nella natura stessa del processo di produzione che ogni pezzo sia leggermente diverso da un altro; ciò contribuisce a renderlo più accattivante.

# RUSTIC ITALIAN

Wood fired pizza, antipasti and Italian family style feasting continues to grow in popularity. As Italian restaurants continue to open, particularly in the independent sector, creative chefs strive for authenticity or add contemporary twists to classic dishes.

Diners are embracing simple Italian dining, shared with good company over craft beers, wine or a negroni. Chefs get inventive creating vegan menus, modernising classic pasta and pizza recipes to meet the current day dietary requirements.

# CLEAN EATING

Animal welfare is promoted and we increasingly see diners opt for plant based proteins and meat free days. Transparency is also key, as consumers want to know exactly what is in their food and how far it has travelled to their plates.

Consumers are making long term changes to live greener, healthier and more sustainable lifestyles. Diners want to know what's in their food and where it has come from, creating a demand for locally produced, fresh ingredients.
