

ASSORTMENT 2026

Effective from
Feb 1st 2026

HELLO.

Dear Customer,

In a world of overconsumption and an abundance of low-cost, low-quality products, Brabantia wants to show that there is a better way. Not just with thoughtfully designed, iconic products that are built to last. But also by making consumers think about daily routines — like separating waste, storing food to prevent waste, and drying laundry naturally.

That's why we keep innovating with smart, sustainable solutions that make everyday life a little better. So, what's new in 2025 & 2026? Quite a lot that we're proud of.

- Our Bo Bin family has grown, now welcoming smaller & taller bins that fit every home perfectly.
- Sort & Go: the same smart sorting bins you love, now made from 100% recycled material, because we don't make trash.
- Reach new heights in recycling. Meet SortUp: our new tower of tidy. SortUp makes sorting simple and stylish. Small step, big impact.
- HangOn has company. Drying days just got brighter with our HangOn Too, HangOn Tower and HangOut Drying Lines.

- Collect-It, and love it. Say hello to our Collect-It Laundry Baskets. Beautifully designed and perfectly practical. Laundry never looked so good.
- New colours: colour allows consumers to express identity, set moods, and create harmony in their living spaces. We're happy to show you two new colours: Lilac Pink and Soft Grey.

To help you present our latest collections, we've created attractive point-of-sale materials and digital content. You can also count on our continued support with service, advertising, and web assistance.

At Brabantia, we'll keep creating products worth owning. Thoughtfully designed, responsibly made, and always built to last.

Thank you for your continued partnership and belief in better living. Please reach out to me or any member of the team if you need assistance.

All the best,

Jos van Baal

FOR IRONING AND STEAMING TOO

NEW. The Brabantia Steam & Ironing Board Size D combines the comfort of horizontal ironing with the ease of vertical steaming. Choose the position with a simple switch and unfold the duo board. A truly great 2-in-1 board for quick in-between steaming or smooth ironing.

See page 71

HIGH AND DRY

NEW. More drying space, less floor space! Meet the HangOn Tower Drying Rack – with 23 or 30 metres of laundry space. Featuring flexible levels for longer and shorter items, hooks for hangers, wide-spaced wires for faster drying, and smooth-rolling wheels.

See page 65

REFRESH TO IMPRESS

Airing and steaming clothes saves washing, time and space. Steaming is also ideal for dewrinkling delicate clothing. Brabantia makes it easier and more stylish too with the Refresh & Steam Collection: laundry accessories that help to put the pressure on pesky wrinkles and smells – no ironing board needed.
